SHELBY COUNTY BOARD MEETING

January 8, 2020 - 9:00 A.M.

The Shelby County Board met on Wednesday, January 8, 2020 at 9:00 A.M. at the Courthouse in Shelbyville, Illinois.

Vice-Chairman Cannon called the meeting to order. Board member Richard Hayden gave the prayer and all present recited the Pledge of Allegiance.

County Clerk Jessica Fox called the roll. Jordan was absent.

Minutes for the December 11, 2019 board meeting were presented for approval. Mulholland made motion to approve the minutes. Hayden seconded said motion, which passed by voice vote (19 yes, 0 no).

Upon recommendation by the Democratic Central Committee, Vice Chairman Cannon requested the appointment of LaVonne Chaney to Shelby County Board District #10 to fill the vacancy created by the resignation of David Cruitt.

Williams made motion to approve the appointment of Chaney. Drnjevic seconded said motion, which passed by voice vote (19 yes, 0 no).

Clerk Fox administered the Oath to Mrs. Chaney and she took her seat on the Board.

At this time, Vice Chairman Cannon called for nominations to elect a new Chairman.

Bennett made the motion to nominate Bruce Cannon for Chairman of the Board. Simpson seconded said motion.

Swits made motion to nominate Dale Wetherell for Board Chairman. Coffman seconded said motion.

After 3 calls for nominations, there were no further nominations from the floor for County Board Chairman.

By a show of hands the following cast their vote for Cannon – Barr, Metzger Drnjevic, Hayden, Mulholland, Chaney, Bennett, Kearney, Simpson, Williams, Lenz and Durbin.

Those voting for Wetherell – Arthur, Swits, Orman, Patterson, Baker, Gergeni, Coffman and Wetherell.

Bruce Cannon was elected the new Shelby County Board Chairman by a vote of 12-8.

At this time, Chairman Cannon called for nominations for Vice-Chairman.

 $\label{thm:condition} \textbf{Kearney nominated Frank Mulholland for Vice Chairman of the Board. Williams seconded said motion.}$

A nomination was called for Denny Drnjevic, who declined the nomination.

Patterson nominated David Swits for Vice Chairman. Wetherell seconded said motion.

After 3 calls for nominations, there were no further nominations from the floor for Vice Chairman.

By a show of hands the following cast their vote for Mulholland – Barr, Metzger Drnjevic, Hayden, Mulholland, Chaney, Bennett, Kearney, Simpson, Williams, Lenz and Durbin.

Those voting for Swits - Arthur, Swits, Orman, Patterson, Baker, Gergeni, Coffman and Wetherell.

By a vote of 12-8, Frank Mulholland was elected as Vice Chairman of the Board.

At this time, EMA Director Jared Rowcliffe, addressed the board regarding the items tabled in December pertaining to the consolidation of the Christian/Shelby ETSB with Montgomery County. Montgomery County held an informational meeting on Monday, January 6th, which some of the Shelby County board members attended. Montgomery County will vote on this issue at the board meeting on January 14, 2020. At this time, Rowcliffe suggests leaving the item tabled until Montgomery County makes a decision.

Wetherell made motion to leave the items regarding this consolidation tabled. Gergeni seconded said motion, which passed by voice vote (20 yes, 0 no).

Discussion was held regarding the structure of the ETSB and the EMA Committee and the funding sources of the ETSB.

Board member Baker requested that the State's Attorney, as legal representative for the County be present at the meeting. Vonderheide was present, just not in sight of the full board. Vonderheide did confirm she does attend all County Board meetings, with the exception of 2 last year when she had Jury Trials.

Treasurer Firnhaber addressed the Board regarding the general fund cash report, the monthly investment report and some future changes to be made to the payroll schedule and why those changes are necessary.

The current payroll schedule has the county having to have payroll turned in prior to the work week actually being completed. Payroll documentation doesn't match the payroll system, which could result in possible legal issues for Shelby County down the road.

Shelby County Board January 8, 2020

The AFSCME Union has met to discuss these changes and Firnhaber hopes to hear they are in agreement to make these changes. Board approval for this change will be requested at a later date. Firnhaber also addressed documentation regarding the IL Dept. of Labor and new payroll regulations (820 ILCS 105/11). The question of who is the employer was asked. Vonderheide stated the County is the employer. As to who would be held legally responsible for the payroll records, Vonderheide would need more time to research that. A lengthy discussion was held.

Williams made motion to end this discussion, Coffman seconded said motion, which passed by voice vote (20 yes, 0 no).

At this time, Chairman Cannon called for the County Highway Engineer's report.

Alan Spesard, County Highway Engineer, requested approval for 2 resolutions. Supportive documents are attached to these minutes.

Spesard informed the board members that the annual letting for culverts and rock was held on Friday, January 3, at the Highway Department. There were 2 bidders for 3 different types of pipe. Spesard requested approval to award the low bids to Metal Culverts, Inc. for Group 1(\$36,933.45), Contech Engineered Solutions for Group 2(\$30,250.95), and Metal Culverts, Inc. for Group 3 (\$5,241.26).

Mulholland made motion to approve the culvert bids. Wetherell seconded said motion, which passed by voice vote (20 yes, 0 no).

Spesard next presented the annual rock bids. 11 different groups of rock were bid, and this will be used by the Highway Department for road maintenance throughout the year. Group 4 rock received no bid. Brush Creek Quarry, C & H Gravel, Hanson Materials and McLeod Express were the low bidders for some of the various rock groups.

Wetherell made motion to approve the County's Rock Resolution for 2020. Coffman seconded said motion, which passed by voice vote (20 yes, 0 no).

Copies of the Highway Department's Annual Report were distributed to the Board members prior to the meeting and contain an overview of the projects completed during the past year, along with photos of jobs done, responsibilities of the Road and Bridge Committee, engineering and inspection services, township projects completed, and ways the Highway Department assisted other County agencies throughout the year. Highlighting the Highway Department's Annual Report, Spesard called the Board's attention to page 2, which summarized the 2019 major achievements that included 4 capital improvement projects and receiving \$592,000 in grant funding for township road improvements.

Drnjevic thanked Spesard for meeting with him following the recent snow that occurred in November regarding complaints Drnjevic received about the road conditions in his area. Spesard stated he hoped to write a new Snow Removal Policy to be approved by the Board. A lengthy discussion regarding snow removal was held.

Continuing with updates, Spesard reported the annual Cold Mix and sealcoat bid letting for the County and Townships will be held on February 7th. Rock hauling bids for townships will also be let that day. Spesard is working to get some state funding for the Cowden-Herrick road which had some recent repairs completed with the former revolving loan fund monies, but has further work needed to have the road correctly repaired.

Public Buildings Chairman Wetherell updated the board regarding the new generator that was recently placed west of the Courthouse. It is hooked up and ready to go, pending the installation of a gas line by Ameren. Wetherell stated the committee is waiting on another bid for a maintenance contract so he will wait to present that information. There were some much needed electrical repairs found during the installation of the generator. The lights on the monument square are off due to the timer needing repaired. The parts for the Clock have been made and those should be installed in the near future. The installation of a new weather head, surge protector and repairs will total \$15,455 and will be paid out of Courthouse Maintenance.

Baker made motion to approve the electrical repairs. Patterson seconded said motion, which passed by voice vote (20 yes, 0 no).

There were no chairman updates.

LaVonne Chaney – Mental Health "708" Board. Motion by Drnjevic, seconded by Bennett, passed by voice vote (20 yes, 0 no). As statute dictates only 2 board members can serve on the "708" board Drnjevic states he will be submitting his resignation, so that Barr and Chaney can continue to serve.

Cannon stated he would like to form a Human Resource Committee Task Force to address the human resource and payroll problems that have occurred the past year. Cannon plans on appointing himself, Kearney, Swits, Coffman, Metzger, Lisa Swenny (AFSCME President), Rob McCall, as well as have the Treasurer and County Clerk in advisory rolls. Cannon plans on removing Kearney from the Law Enforcement Committee, making Patterson the chair and appointing Swits to that committee. After asking if Orman could serve on road and bridge committee (Orman declined), Cannon stated he would leave road and bridge and the budget committee vacant for now.

State's Attorney Vonderheide advised Cannon that since none of these committee changes, or the formation of a new committee was on the agenda, those needed to wait for board action until next month.

There was no correspondence.

Shelby County Board January 8, 2020

During public body comment, Jeremy Williams, with the Illinois Separation Project, addressed the board again regarding an advisory referenda to be placed on the November 2020 ballot separating Cook County from the rest of the State. Williams stated if anyone had any questions to feel free to contact him.

John Kraft and Kirk Allen, from the Edgar County Watchdogs, addressed the board to discuss several issues pertaining to Shelby County. Among the items discussed were: no response for a FOIA request submitted to the Sheriff's office and the possible legal ramifications to the County, compensation of deputy coroners, an inmate medical resolution from 2014, and the county board hiring an outside attorney in 2014 for labor related matters. Allen encouraged the board members to read the statutes and know their powers and duties.

Metzger made motion to assess mileage and per diem for the January meetings, to pay the bills/payroll as reviewed by the committees (with the exception of 4 bills for food) and adjourn until the next regular meeting to be held on February 13, 2020. Wetherell seconded said motion, which passed by voice vote (20 yes, 0 no) and the meeting was adjourned at 11:15 A.M.

Make sure salaried employees are "clocking" in and out

by Donna Rogers, MEd., SPHR, SHRM-SCP

Surprise, surprise, surprise... there is another new law to follow! Unfortunately, one that has been in affect for some time now but has not received much notice and was slid in right under our Human Resource noses. Not once but TWICE!

The Illinois Department of Labor established new regulations, "Payment and Collection of Wages or Final

Compensation – Records and Notice of Requirements" in August of 2014 that require employers to document time worked for each employee regardless of their status as either an exempt administrative employee, executive or professional. These regulations were reinforced in the 2019 amendment to the Illinois Minimum Wage Law (820 ILCS 105/8).

The specific requirements are – employers must make and maintain records for three years which contain:

mame, address and occupation of the employee

Mours worked each day in the work week

rate of pay

copies of the notice given to the employee at the time of hiring reflecting their rate of pay

amount paid each pay period and all deductions made from wages or final pay

Any employer that provides paid vacation to its employees must maintain records showing the number of days earned for the year and the dates on which the days were taken and paid.

Failure to maintain these records may impede an employer's ability to defend wage and hour claims. If an employee files a wage claim with the Department of Labor, they may not be denied recovery of wages or final compensation on the basis that they are not able to prove the exact extent of uncompensated work or final compensation. The employee must only produce sufficient evidence to demonstrate the amount and extent of work or time earned as a just and reasonable inference.

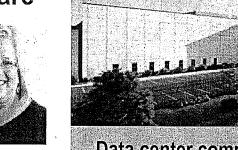

In addition to losing a wage claim, any employer who fails to keep records as required under the Illinois Minimum Wage Act or to furnish them to the Illinois Department of Labor when requested is guilty of a Class B misdemeanor (820 ILCS:105/11). The penalty for a Class B misdemeanor is up to 180 days in jail and/or a fine of up to \$1,500.

Because these new regulations were adopted without fanfare, many employers may be in non-compliance. Due to the repercussions of not following these regulations, employers should take immediate steps to ensure that they are tracking the hours worked by all of their employees, no matter what position they hold. This can be accomplished by any means the employer finds most convenient, whether electronic or paper.

The one big concern I find with this is that neither law outlines what they mean by "three years". Do they mean for the last three years and you can shred previous years? Similar to the One- or Two-year hiring document retention requirement depending on federal contract compliance status? Does it mean forever and three years post termination like the I-9s?

Whichever way you interpret it, my recommendation would be at least the last three years since the current time frame for employees to file complaints against a company in Illinois is 300 days unless there are other circumstances that expand the statute of limitations such as incidents that fall under Equal Pay Act or Lilly Ledbetter Pay Act, among others.

We are pleased to announce that Rock Island County Board Member Dorothy Beck has accepted an appointment from President Scott Schwerer to the IACBM Legislative Committee.

Dorothy was elected to represent District 21 on the Rock Island County Board in

Nov. 2018 where she is currently serving on the Governance, Health and Administration Committee. Prior to that she served a six-year term on the Black Hawk College Board of Trustees, the community college from which she retired as professor of English and Philosophy in 2011. She volunteers in many community organizations and is currently on the boards of two Rock Island foundations.

(820 ILCS 105/8) (from Ch. 48, par. 1008)

Sec. 8. Every employer subject to any provision of this Act or of any order issued under this Act shall make and keep for a period of not less than 3 years, true and accurate records of the name, address and occupation of each of his employees, the rate of pay, and the amount paid each pay period to each employee, the hours worked each day in each work week by each employee, and such other information and make such reports therefrom to the Director as the Director may by regulation prescribe as necessary or appropriate for the enforcement of the provisions of this Act or of the regulations thereunder. Such records shall be open for inspection or transcription by the Director or his authorized representative at any reasonable time as limited by paragraph (a) of Section 7 of this Act. Every employer shall furnish to the Director or his authorized representative on demand a sworn statement of such records and information upon forms prescribed or approved by the Director. Each worker employed at the learner rate must be designated as such on the payroll record kept by the employer, with the learner's occupation shown.

(820 ILCS 105/11) (from Ch. 48, par. 1011)

Sec. 11. (a) Any employer or his agent, or the officer or agent of any private employer who:

- (1) hinders or delays the Director or his authorized representative in the performance of his duties in the enforcement of this Act; or
- (2) refuses to admit the Director or his authorized representative to any place of employment; or
- (3) fails to keep the records required under this Act or to furnish such records required or any information to be furnished under this Act to the Director or his authorized representative upon request; or
- (4) fails to make and preserve any records as required hereunder; or
  - (5) falsifies any such record; or
- (6) refuses to make such records available to the Director or his authorized representative; or
- (7) refuses to furnish a sworn statement of such records or any other information required for the proper enforcement of this Act; or
- (8) fails to post a summary of this Act or a copy of any applicable regulation as required by Section 9 of this Act;

shall be guilty of a Class B misdemeanor; and each day of such failure to keep the records required under this Act or to furnish such records or information to the Director or his authorized representative or to fail to post information as required herein constitutes a separate offense. Any such employer who fails to keep payroll records as required by this Act shall be liable to the Department for a penalty of \$100 per impacted employee, payable to the Department's Wage Theft Enforcement Fund.

- (b) Any employer or his agent, or the officer or agent of any private employer, who pays or agrees to pay to any employee wages at a rate less than the rate applicable under this Act or of any regulation issued under this Act is guilty of a Class B misdemeanor, and each week on any day of which such employee is paid less than the wage rate applicable under this Act constitutes a separate offense.
- (c) Any employer or his agent, or the officer or agent of any private employer, who discharges or in any other manner discriminates against any employee because that employee has made a complaint to his employer, or to the Director or his

authorized representative, that he has not been paid wages in accordance with the provisions of this Act, or because that employee has caused to be instituted or is about to cause to be instituted any proceeding under or related to this Act, or because that employee has testified or is about to testify in an investigation or proceeding under this Act, is guilty of a Class B misdemeanor.

(d) It is the duty of the Department of Labor to inquire diligently for any violations of this Act, and to institute the action for penalties herein provided, and to enforce generally the provisions of this Act. (Source: P.A. 101-1, eff. 2-19-19.)

TITLE 56: LABOR AND EMPLOYMENT
CHAPTER I: DEPARTMENT OF LABOR
SUBCHAPTER b: REGULATION OF WORKING CONDITIONS
PART 300 PAYMENT AND COLLECTION OF WAGES OR FINAL COMPENSATION
SECTION 300.630 RECORDS AND NOTICE REQUIREMENTS

#### Section 300.630 Records and Notice Requirements

- a) Regardless of an employee's status as either an exempt administrative employee, executive or professional, every employer shall make and maintain, for a period of not less than 3 years, the following true and accurate records for each employee: the name and address, the hours worked each day in each work week, the rate of pay, copies of all notices provided to the employee as required by subsection (d), the amount paid each pay period and all deductions made from wages or final compensation. Additionally, any employer that provides paid vacation to its employees must maintain, for a period of not less than 3 years, true and accurate records of the number of vacation days earned for each year and the dates on which vacation days were taken and paid.
- b) In the absence of employer records, a claimant may not be denied recovery of wages or final compensation on the basis that the employee is unable to prove the precise extent of uncompensated work or final compensation. An employee need only produce sufficient evidence to demonstrate the amount and extent of work or time earned as a just and reasonable inference. The employer must then produce evidence of the exact amount of work or time earned or produce evidence to negate the reasonable inferences drawn from the employee's evidence. The employer's failure to make and maintain records as required under subsection (a) shall not preclude a finding based on the information available that wages or final compensation are due, even though the award may be only approximate.
- c) Every employer shall furnish in writing to each employee an itemized statement of deductions made from wages for each pay period.
- d) An employer is required to notify an employee in writing, at the time of hiring, of the rate of pay. An employee commencing work shall reflect mutual assent to the rate of pay. An employer shall not change an agreement regarding the payment of wages and compensation without first notifying the employee prior to the effective date of the change. The employer shall place the arrangement in writing at the time of the change and present the change to the employee unless impossible to do so. Because of extraordinary circumstances, the immediate placement in writing may not be able to be accomplished, but this inability to do so must be immediately

rectified. An employer cannot rely upon an employee's continued employment as affirmation that the employee consented to an adverse modification of the employee's rate of compensation when the employee was not notified in writing of the modification prior to its effective date. However, when the employee continues to work after being notified of a change in writing, the employee shall be presumed to have assented to the change, absent evidence to the contrary. An employer may not retroactively adversely affect the wages earned by an employee. In every employment relationship, it is presumed that the employer will pay for all hours worked, as defined in 56 Ill. Adm. Code 210.110. An employee who has not been paid for all hours worked is not presumed by reason of the employee's continuing to work to have assented to work without compensation for the hours worked at the agreed rate of compensation or to have assented to the non-payment of required or promised overtime pay.

e) The employer shall bear the burden of showing that it was not possible to notify the employee in writing, at the time of hiring, of the rate of pay and of the time and place of payment. "Rate of pay" shall include a description of all wages or final compensation, as defined by Section 2 of the Act and this Part.

Wage and Hour Division

# Fact Sheet #21: Recordkeeping Requirements under the Fair Labor Standards Act (FLSA)

This fact sheet provides a summary of the FLSA's recordkeeping regulations, 29 CFR Part 516.

#### Records To Be Kept By Employers

Highlights: The <u>FLSA</u> sets <u>minimum wage</u>, <u>overtime pay</u>, recordkeeping, and <u>youth employment standards</u> for employment subject to its provisions. Unless exempt, covered employees must be paid at least the <u>minimum wage</u> and not less than one and one-half times their regular rates of pay for <u>overtime</u> hours worked.

Posting: Employers must display an official poster outlining the provisions of the Act, available at no cost from local offices of the Wage and Hour Division and toll-free, by calling 1-866-4USWage (1-866-487-9243). This poster is also available electronically for downloading and printing at <a href="http://www.dol.gov/osbp/sbrefa/poster/main.htm">http://www.dol.gov/osbp/sbrefa/poster/main.htm</a>.

What Records Are Required: Every covered employer must keep certain records for each non-exempt worker. The Act requires no particular form for the records, but does require that the records include certain identifying information about the employee and data about the hours worked and the wages earned. The law requires this information to be accurate. The following is a listing of the basic records that an employer must maintain:

- 1. Employee's full name and social security number.
- 2. Address, including zip code.
- 3. Birth date, if younger than 19.
- 4. Sex and occupation.
- 5. Time and day of week when employee's workweek begins.
- 6. Hours worked each day.
- 7. Total hours worked each workweek.
- 8. Basis on which employee's wages are paid (e.g., "\$9 per hour", "\$440 a week", "piecework")
- 9. Regular hourly pay rate.
- 10. Total daily or weekly straight-time earnings.
- 11. Total overtime earnings for the workweek.
- 12. All additions to or deductions from the employee's wages.
- 13. Total wages paid each pay period.
- 14. Date of payment and the pay period covered by the payment.

How Long Should Records Be Retained: Each employer shall preserve for at least three years payroll records, collective bargaining agreements, sales and purchase records. Records on which wage computations are based should be retained for two years, i.e., time cards and piece work tickets, wage rate tables, work and time schedules, and records of additions to or deductions from wages. These records must be open for inspection by the Division's representatives, who may ask the employer to make extensions, computations, or transcriptions. The records may be kept at the place of employment or in a central records office.

What About Timekeeping: Employers may use any timekeeping method they choose. For example, they may use a time clock, have a timekeeper keep track of employee's work hours, or tell their workers to write their own times on the records. Any timekeeping plan is acceptable as long as it is complete and accurate.

The following is a sample timekeeping format employers may follow but are not required to do so:

DAY	DATE	IN	OUT	TOTAL HOURS
Sunday	6/3/07	** ** ** ** ** **		
Monday	6/4/07	8:00am	12:02pm	
		1:00pm	5:03pm	8

		1:00pm	5:00pm	8
Wednesday	6/6/07	8:02am	12:10pm	
		1:06pm	5:05pm	8
Thursday	6/7/07	Min and also have some year war-		
Friday	6/8/07		24 00 to 00 to 00	
Saturday	6/9/07		40 M 40 M 10 M 10 M 10 M	

#### **Total Workweek Hours:**

24

Employees on Fixed Schedules: Many employees work on a fixed schedule from which they seldom vary. The employer may keep a record showing the exact schedule of daily and weekly hours and merely indicate that the worker did follow the schedule. When a worker is on a job for a longer or shorter period of time than the schedule shows, the employer must record the number of hours the worker actually worked, on an exception basis.

#### COUNTY HIGHWAY DEPARTMENT FUNDING

#### **ANNUAL LOCAL TAX & STATE MFT FUNDING**

Shelby County receives local property tax funds and State motor fuel tax (MFT) funds. These funds are considered "Special Revenue Funds" due to the fact that they are legally restricted for expenditures for use by the Shelby County Highway Department for the construction and maintenance of Highways. The local tax revenues and expenditures are internally controlled by the County Bridge, County Highway, and Federal Aid Secondary accounts. The state motor fuel tax revenues and expenditures are internally controlled by the County Motor Fuel Tax and Township Motor Fuel Tax accounts. The expenditures and revenues associated with these funds are audited annually by the Shelby County contracted accounting firm of West & Company, LLC. In addition, the State & Township MFT expenditures and revenues are audited by the Illinois Department of Transportation.

Details associated with these revenues and expenditures for the current Fiscal Year ending in August 31, 2019 will be published by West & Company, LLC in a report entitled "AUDITED FINANCIAL STATEMENTS AND SUPPLEMENTAL INFORMATION" in the spring of 2020.

#### **STATE & FEDERAL CONTROLLED FUNDING**

The IDOT committed State and Federal Funding for Shelby County Capital Improvement Projects as follows:

- Total Federal, State and local Construction Funds for Bridge & Road Projects = \$1.59 million
- Federal Bridge and Road Funds toward 80 % of the awarded contract construction and engineering costs for township and County bridges.
- State Bridge Funds toward the awarded design engineering, contract construction & construction engineering costs for township bridges construction
- State Grant Funds for the Cowden-Herrick Road

These funds are administered and controlled by the IDOT.

#### MISCELLANEOUS FUNDING

The Shelby County Highway Department miscellaneous funding as follows:

- Engineering fees from the \$2.5 million Township Motor Fuel Tax Program, totaling approximately \$90,000 for technical and contract administration services
- Maintenance expense reimbursement for approved petitions from townships and villages.
- Engineering Fees reimbursed for Construction Oversite of Grant funded projects: Wood Street Bridge
  - o "Rebuild Illinois" capital bill was signed into law resulting in additional funding: County and Township MFT allotments increase 68% increase of \$252k per year
  - Bond proceeds to increase MFT Funding \$959K over 3 years for County and \$4.1M for Townships

#### LAW ENFORCEMENT COMMITTEE

January 2nd 2020

Sheriff Koonce called the meeting to order at 9:00 a.m. with the following members of the committee present: Kay Kearney, Bob Simpson and Gary Paterson Undersheriff McCall served as secretary.

The Committee read and approved the meeting minutes for December with Gary Paterson requesting the following changes. 1. The spelling of David Faller's last name. 2. Add to the minutes Faller told the committee that the Sheriff's Office was allowed to make purchases for shop with a cop using its tax-exempt status. Faller continued to inform the committee the use of the Counties Credit Card for the purchases was allowable unless the county had a policy against it.

The Merit Commission will be interviewing a total 9 Deputy Candidates on Jan 7th and 8th. It is anticipated an eligibility list will be made available by the end of the month.

Sheriff Koonce gave a report on the Shop with a Cop program. Just under \$8000.00 was expended to provide children gifts. Once again, the committee was reminded the money spent is not tax dollars but donated funds from the public and sales of the Sheriff's Calendar adds.

The Sheriff's Office has recently received two FOIA request. One from the Treasures Office and the other the Edgar County Watch Dogs. The FOIA officer is in the process of fulfilling the request to ECWD with the assistance of the County Clerks Office.

A brief discussion of the now enacted Marijuana laws in Illinois was discussed along with the notification to employees of the Sheriff's Office prohibiting there use of legal Marijuana.

It was reported to the committee the counties auditor has been to the Sheriff's Office and will return several more times to prepare for the annual report to the County Board.

The Committee reviewed expenditures and the meeting was concluded.

#### LAW ENFORCEMENT COMMITTEE

December 5th, 2019

Sheriff Koonce called the meeting to order at 9:00 a.m. with the following members of the committee present: Kay Kearney, Bob Simpson, Chairman Cruitt and Gary Paterson who phoned in on conference, Undersheriff McCall served as secretary. Jarod Rowcliff with Shelby County EMA was in attendance as well.

The Committee read and approved the meeting minutes for November.

Undersheriff McCall reported on the hiring of a 5 new full time Correctional Officers. They are all in various stages of training. We are required to have them all attend the PTI six -week course within nine months of hiring and the Undersheriff is working with the Macon County Training Center to make this happen.

There have been eleven candidates for Deputy Sheriff chosen by the Merit Commission to interview. Following the interviews, the Commission will create an eligibility list that the sheriff can hire a new deputy from. It is hoped by the end of January 2020 the list will be completed.

David Fowler from West and Company was introduced to the LEC as our new County Auditor. Undersheriff McCall requested Tina Wade join the meeting for this as she will serve as the point person for the Sheriff's Office for any auditor request.

Many topics were discussed including payroll records, shop with a cop donation, special fund accounts, and the payment of bills once a month. Fowler reported a person from his office will be visiting all office's in the County soon to gather information to prepare the counties report.

Undersheriff McCall reported on a couple of ongoing maintenance issues in the Detention Center included the water softener and a computer server that is slated to be replaced in January.

The Committee reviewed expenditures and the meeting was concluded.

## SHELBY COUNTY AIRPORT and LANDING FIELD COMMISSION MINUTES OF MEETING November 4, 2019

#### Members present at meeting:

Commissioners--Steve Wempen, John Hall, Rick Brown, Walt Lookofsky, Jeff Green County Board Members--Earl Baker, Bob Simpson Airport Manager--Scott Jefson Others Present--

Commissioner Rick Brown calls the meeting to order.

The minutes were read by all. Jeff makes a motion to approve the minutes. It was seconded by John and was approved by all saying aye.

Rick mentions seeing a memo on the GPS approach and how little it's used and asks Scott how much he thought the NDB is used. Scott replied that we needed some type of an approach and that he used it. Steve and Jeff said they also used it. A short discussion on the two approaches and their necessity followed.

Earl asks Scott what brings people into our airport. Scott mentions seed companies and machinery companies come in. Also had a construction company that came in for a year while doing a job down at Cowden.

More discussion ensued on what draws people to the airport including the lake and the two grass runways.

Scott gets a comparison sheet, that Jim Schwerman had put together and presented at the last meeting, that showed the average income for the crops for the last few years. Scott points out on the field map to Earl the ground we used to farm then points out the ground we have lost because of minimum distance compliances set by the FAA. Some discussion followed and Rick mentions Susan Zellars from Hansons working on getting a variance and getting about half or twenty-five acres back. Earl asks about a lawyer for the airport or maybe some kind of legal representation. Some discussion followed on the issue. Earl mentions that he'll take on the responsibility of getting a lawyer involved if need be to help get some of the issues resolved.

The Treasurer's report was read by all. Walt makes a motion to approve the Treasurer's Report. It was seconded by John and approved by all saying aye.

#### Bills Presented

City Area Water-Sewer Department	\$ 46.20
MDIGrease	\$ 171.64

Hilton PlumbingBalloon Fest Porta Potties	\$ 595.00

Rick made a motion to accept the bills as presented. Jeff seconded it and it was approved be all saying aye.

#### Manager's Report

Scott said he came into a flooded bathroom in the Main Hangar a couple weeks ago and after getting on the roof he found the gasket in the roof pipe flange was gone. After some repair there was still a couple of leaks in the shop area but too cold to deal with for now.

Scott mentions the Jet Fuel pump is still giving fuel away and that he had the info from two different helicopters that were here and fueled, to send them an invoice for the fuel they pumped.

Scott said at the TIPS meeting we found out the Jet Fuel project had not been officially closed yet so Scott informed IDOT that the pump still wasn't working properly, pumping fuel and not metering it. Scott then mentions the new T-Hangars were discussed and looked like that could start in 2020 but the airports lack of funding could put a hold on the project.

Scott said that Susan Zellars from Hansons joined the TIPS meeting by phone and explained the waiver she was trying to get to get some of our ground back.

Some discussion followed on the issue and about the possibility of shutting down the GPS approach to

runway 36. Scott then mentioned that he and Robert Hahn from IDOT had a friendly discussion on the issue including the NDB.

Bob Simpson mentions the airport getting \$15,000 more in tax money next year but then it was taken back and it's up in the air for now. A lengthy discussion on the money issue followed.

Rick mentions that when we had the Balloon Fest we talked about charging a parking fee to help generate more revenue and because of the amount of rain the day before, that never happened but while at the Balloon Fest he mentioned to Steve about maybe having a concert here at the airport to make some money. Rick mentions that there are some big names that we could possibly get that would draw a big crowd and if it went well we could maybe make an annual event of it. Some discussion followed on the idea.

Earl mentions hearing talk of having a restaurant on the airport ground. Some discussion followed on the idea and maybe should pursue that possibility.

More discussion on finding entertainers ensued and Earl mentions his son I ving in Charleston and maybe he could find out who's in charge of finding entertainers for Coles County Airport.

Rick mentions the tractor and if it is still running ok. Scott said he still had to mow one more time, but that we need to maybe put in for some of that State money to repaint the runway, filling and sealing cracks in the asphalt and reskinning the Main Hangar which is eligible for funding now and before it was not. Scott said if we don't have the money to cover our part of the new set of T-Hangars maybe put the money towards some of these other projects. Some discussion on which project should be done first followed.

Jeff makes a motion to adjourn and it was seconded by John.
